THE COLOUR WHEEL

BOLD & BRIGHT Rip up the rulebook: this season is a merry-go-round of dizzying combinations, dreamt up by labels from BALMAIN to CHRISTOPHER KANE. Beginners may want to try pastels, but for enthusiasts, only orange and purple will do.

THE SHOE

EMBELLISHED
This season, shoes are the new jewellery. Not convinced? One look at CÉLINE's brooch-festooned heels or BOTTEGA VENETA's gem-adorned loafers and you'll be letting your footwear do the sparkling.
