YELLOW FEVER

It's the colour of sunflowers and daffodils, lemons, canaries, bees and smiley faces. It's such a happy colour it's hard not to love this yellow Rivington Fit & Flare Sundress by Finery London, available in the UAE exclusively on namshi.com. The new British womenswear label is on a mission to deliver cleverly designed pieces that are as flattering as they are fun. They've found a new fan. Dress Dhs365 Finery London exclusive to nasmshi.com

SHAPE OF THINGS TO COME

What did we do in those dark, dark days before culottes fell back into fashion favour? Super-comfortable yet chic, great with sliders and heels alike, they're a fashion-girl-on-the-run's best friend. This pair (and matching top) from The Outnet's in-house brand Iris & Ink are my new go-to. Culottes Dhs940 and Top Dhs710 both Iris & Ink at theoutnet.com

ENDLESS SUMMER

I know summer is over everywhere else in the world, but here we can still sport bathing suits, sandals and summery slips. I can't get enough of the Dolce & Gabbana Portofino collection, which is available exclusively on netaporter.com. The dresses are cut to perfection and I challenge you to find a better fitting swimsuit. If I could buy it all I would, but will settle for this Mediterranean summer dress that I will wear well into the (Dubai) winter. Dhs7,447 netaporter.com

STRAIGHT FROM THE SHOULDER

I've had my eye on Isa Arfen since designer, Serafina Sama, started her career with a collection inspired by Slim Aaron's society photographs in 2011. Roll on four years and her feminine, yet minimal collection has landed exclusively in the UAE on bysymphony.com's online rails. Top Dhs2,755, Isa Arfen Bag Dhs7,030 Valentino both exclusive to bysymphony.com

RINGS OF CHANGE

LA designer Melody Ehsani's favoured motifs include hamsa hands, pineapples, ice cream cones and watermelon slices. Also known as everything I want in my jewellery box right now. These cute feather and eagle totem rings are part of a selection available exclusively on sivvi.com. Rings Dhs100 for both Melody Ehsani exclusive to sivvi.com
